*We understand that farming is weather dependent and that by joining we are agreeing to share in the risks with you, the farmers, and trust that as farmers, you will use your skills wisely to provide us with a steady supply of fresh, organic food for the 2022 season. We acknowledge that what is available for us to select from each week will vary depending on the season. It is my responsibility to pick up my share at the appropriate site on time or make prior arrangements.*

**Our Tuesday afternoon summer market-style Vegetable CSA is our primary CSA.** Members pick out 5 items (quarts, bunches, bags, etc) each week for each share. You choose the number of shares you need to meet your needs. You save at least 20% with the Tuesday Vegetable CSA.

The **CSA Bank Share** gives you \$330 of produce, flowers, and eggs for your \$300 payment. You may use your credit during summer farmstand hours. It does not include chicken, duck, or beef.

You may purchase chicken at our farmstand, but to guarantee availability and save money, invest in our **Fill Your Freezer Chicken Share**.

The **Flower Share** is our medium \$10 flower bunch, 11 weeks, beginning July 1. Flowers can be picked up anytime the farmstand is open.

*We thank you and look forward to providing you with great tasting, healthy food this year.*
