In joining the Rehoboth Homestead Farm Fresh Food Club, we understand that

- We can expect great tasting, vegetables grown using accepted organic methods
- That there are no guarantees for specific vegetables – both natural (hail, flood, drought, cold, heat, insects) and manmade problems (introduced diseases, trespass, an intern who pulls up the crop instead of the weeds) can interfere with our best plans.

We look forward to serving you. Get ready to enjoy eating veggies!

Please make your check payable to “Rehoboth Homestead”, 66 Jabez Allen Road, Peru NY 12972. Phone 643-7822.
